Project Presentation Evaluation

(do not write your name)

Presentation 1 Name (P1):

Presentation 2 Name (P2):

Presentation 3 Name (P3):

Presentation 4 Name (P4):

Presentation 5 Name (P5):

Presentation 6 Name (P6):

On a scale of 1 - 5 (5 being best), rate the following aspects of each presentation:

1. Interest: How interesting is the application.
2. Flow: The application flow was done well. It had a logical, intuitive flow.
3. Delivery: The quality of the delivery of the presentation - e.g. spoke clearly, etc.
4. Overall: Your overall impression of the application.

	P1	P2	P3	P4	P5	P6
Interest						
Flow						
Delivery						
Overall						

Additional comments: (identify which presentation a comment relates to)
